West Chinnock Primary School Student Paper

Issue 2, Autumn Term 2 2021

Welcome to the second issue of our school paper. It's almost Christmas and we are looking forward to the holidays and all our fun Christmas events.

We have had a great half term and lots of fun has been had at school.

## Lunchtime Clubs

During lunchtimes on a Tuesday and Thursday there are clubs run by year six pupils. There are four clubs and they take turns each week. There is an art club run every other Tuesday by Molly C and Mary B-H, every other Thursday is multi-sports, run by Addison S, Mia-Belle A and Sophia G and on the weeks those clubs do not run there is football club run by Ollie S, Benjamin P and Harrison N and basketball club run by Charlie and Henry C and Finley B. All are well attended and going well.

## Nature at School

We have been seeing lots of animals running across the field and flying over it, such as buzzards, rabbits and crows. In the next field there are sheep and cows and in our pond we have newts. The buzzard is often on patrol to eat the rabbits!

Nature Club has been run for us by Nicola. She has given us animal badges and we have been filling up the bird feeders for the birds to eat over Winter. We have made homes for our earwig friends. Nicola has let us borrow her binoculars so we can see lots of wildlife. We enjoy spotting wildlife in the school grounds.

We wish everyone in our school and local community a very Merry Christmas!

West Chinnock Primary School Student Paper

Issue 2, Autumn Term 2 2021

once upon a xmas  
eve, Santa was  
flying his sleigh,  
and Rudolph's nose  
stopped glowing!

His nose couldn't  
light the way, and  
down they fell, with  
a very big clatter.

Santa ~~was~~ even got  
stuck in a chimney!  
Oh ho ho! But what  
did he see? A  
little red light on  
the tree!

With a new nose  
to light the way,  
Christmas was  
saved! Everyone  
got presents today
