

## PFA/FONS Easter Trail 2022

We've put together a trail for you and your families to do if you have a few hrs to kill over the Easter break. The trail is 2 loops, one going around Norton (1.8m) and the other around West Chinnock (2.4m). Those with longer legs may want to do both loops in one go! (4.2miles).

Although the loops start in Chiselborough you can join them at any point on the trail to avoid you having to drive anywhere!

There are pom-pom easter animals for you to find around the trail. Look for the stars on the map.

The winning easter bonnets will be displayed in Chiselborough Church so please go in and have a look.
