Head's Update...

Dear Parents and Carers,

Winter is most definitely here... can I please ask for coats on from now please with optional hats and gloves? I have been shocked some mornings for Norton to be -3 degrees when the A303 has been a relatively warm zero degrees!

Can I please ask you to check our calendar dates... the Christmas programme is getting really busy. I love this time of year, hearing the children sing and rehearse is a privilege. We cannot wait to share all with you in December.

Next week will be our December Online Safety Newsletter – please do use this resource to keep our children safe online.

Wishing you all a lovely weekend,

Connel Boyle

Executive Head

Roblox Warning for all parents

We wanted to make you all aware of an issue reported on ITV News regarding Roblox... a popular game children access.

(Age Restriction is 13+)

We know many of our children play this game. The UK's Counter Terrorism Adviser was shown extremist content - violence, racial hatred, and murders that extremist groups are sharing with children in this game. Content also includes Misogynistic content against women... which is being normalised in the game.

The risk to children accessing this material and adults sharing extremism in a game is simply too high and advice from the Anti-Terror Advisor was our children should not be on this game. Please be vigilant...

**Our whole
school
attendance

Have a peep into Willow Class!

Christmas is creeping in

*Look at the wonderful Christmas Wreaths
made by Willow Class.*

*They may not be waterproof but will look
wonderful indoors. Next week December will
arrive... Tinsilitis will hit us all next week!*
