Spotlight on Safeguarding – Speaking Out and Consent

This month, we are encouraging all children to understand the importance of **speaking out** if something feels worrying or unsafe. We remind pupils that trusted adults are always ready to listen and help. We are also introducing age-appropriate discussions about **consent**, helping children recognise that everyone has the right to personal boundaries. This includes simple ideas such as asking before hugging, respecting “no”, and understanding that their own bodies belong to them. By building confidence in speaking up and promoting respectful choices, we aim to help every child feel safe, heard, and empowered both in school and beyond.

Easter Egg Hunt Memories 2026

Thank you for your participation in the Year 6 Easter Egg hunt. We raised a massive £259 and couldn't have done it without all your support. Thank you also to our wonderful parents for all their cake baking and chocolate donating. We hope you all had a wonderful time!
