

Monday 16th December 2024

Our half term Core Value is **Community**

This week:

- News from Oak Class
- Information about clubs next half-term
- Wellbeing and SEND support from Mrs Jaggard

We have had a busy week in Oak Class. We are getting into the spirit of Christmas by working on a writing project based on the Polar Express and the poem 'Twas the night before Christmas.

We held our Reading Café this week which the children enjoyed. They got an individually wrapped surprise book to browse through and challenge themselves to read as much of it as possible, then fill out a review to see if they could tempt others to read the book giving reason why. Thank you again to the PFA for their contribution to make this possible and to those who supported the event.

Mrs O'Grady, Oak Class teacher

A heads up that **sign-up information for clubs** next half-term will be sent out this week. Clubs will commence in the second week back after the holidays. Please keep an eye on your inbox for further details. In addition, we will be sharing information about our wraparound care survey and our plans moving forward in the new year. Your feedback is invaluable as we strive to enhance our services and meet the needs of our families.

Wishing you all a peaceful Christmas and a happy new year. Mr Caswell

Upcoming Dates

This week I am signposting to a parent led organisation 'Somerset Parent Carer Forum'. All the people leading the work have a child or young person between birth to 25 years with additional needs and/or disabilities.

[Somerset Parent Carer Forum CIC Ltd \(not for profit\) company no. 10227489](#)

As part of their service, they offer parents workshops.

Workshops for Information, Support and Education (WISE)

Being a parent carer of a child or young person with additional needs can bring extra situations which are challenging to know how to handle. To help support parent carers navigate these we have created a range of workshops based on the subjects you have told us would be helpful.

You will find the calendar with upcoming workshops (face-to-face and online) along with information about each one via the link below.

[WISE Up Workshops](#)

Remember you can get in touch with requests for this support section via the school office:
