Head's Update...

Dear Parents and Carers,

It is now officially spring!

We could not have had a better day for our trip yesterday... our children's behaviour was impeccable. We are so proud of them all.

We literally could take them anywhere... they are a credit to village.

At Carymoor our children's passion for nature and environmental issues shone. Their prior knowledge helped them all access all our new learning.

We cannot wait for our next outing!

Wishing you all a lovely weekend,

Connel Boyle

Executive Head

Carymoor Whole School Environmental Visit

Oak class enjoyed a workshop day at Carymoor, touring the landfill site, experiencing unpleasant smells, and learning about waste management and its impact on the planet.

Acorn had a lovely day learning about Carymoor's animal superheroes. We went on a discovery walk and went pond dipping. We were lucky enough to see a newt! We played fun games like beetle dung ball relay race and badger's buffet. We also made camouflaged caterpillars and clay creatures to take home.

Our whole school
attendance target
