It was wonderful to see our youngest and newest pupils enjoy playing with our brand new early years equipment last week. In the heat, the water play apparatus was a big hit for pupils in our Acorn Class!

In assembly last week I spoke about being ready, respectful and safe and was impressed by the mature contributions made by our Oak class pupils.

To raise awareness of the challenges faced by those living with a genetic condition, next Monday we are taking part in Jeans for Genes day. Please may your child come to school in jeans, jean style clothing or non-school uniform and bring a small cash donation for charity (e.g. 50p or £1).

A reminder that afterschool clubs start this week. For your information, please see the upcoming dates for the next couple of weeks.

Mr Caswell
